56M+

Views on personal TikTok — viral video

16 → 6,000+

Instagram followers grown in under 2 months (Reels)

50M+

Views generated on client Instagram content

WORK EXPERIENCE

2023 – 2026

Social Media Marketing Specialist - Prodigality

- Developed and pitched a full social media branding system, later adopted as a core B2B service sold to external clients
- Grew client Instagram from 16 to 6,000+ followers in under 2 months via Reels strategy, generating 1M+ views
- Managed end-to-end pipeline: competitor research → scriptwriting → shot listing → production → editing → publishing
- Executed influencer collaborations and giveaway campaigns for food delivery brand (BGC), driving significant follower growth
- Handled multi-brand strategy across print & crafts, food delivery, and aesthetic clinic verticals

2022 · 8 months

Video Editor - CV Media

- Produced up to 10 short-form videos per day across multiple styles including podcast, talking-head, and trending formats
- Edited long-form content and adapted into platform-ready short-form clips for social distribution
- Maintained consistent output quality and turnaround speed for agency clients across various industries

2021 - 2022

Video Editor - Freelance

- Provided video editing services to direct clients
 - Built foundational editing skills across multiple content formats and styles
